Overview

This report provides tuition expenditures for resident students outplaced to private facilities or enrolled in other districts' schools. Note that outplaced tuition types with low pupil counts are not listed on the report, however their amounts are included in totals. If no detail lines are available, this report will not be available. Dollar amounts are rounded to the nearest whole dollar. Amounts may not sum exactly due to rounding.

How to Use this Report

Use the the dropdowns to generate results for this report. Export the results to a .csv file by clicking [Export .csv file](#).

- To view Per Pupil Expenditures for Outplaced Students for the State as a whole, select "State of Connecticut" from the District dropdown, and click Submit.
- To view Per Pupil Expenditures for Outplaced Students for all districts, select "All Districts" from the District dropdown, and click Submit.
- To view Per Pupil Expenditures for Outplaced Students for a single district, select the district from the District dropdown, and click Submit.

Inclusion/Exclusion Rules

All reports present PPE for free elementary and secondary education, including both regular and special education. Reports exclude expenditures for food services not funded by local funds, debt, capital, adult education, community services, and state contributions to teachers' retirement.

Terms/Definitions

Term	Definition	Values
District	Name of district or State of Connecticut.	District Names or State of Connecticut.
Tuition Type	Type of school/program to which the tuition is paid.	<u>Tuition for designated HS</u> – Paid by towns/districts that do not maintain a high school and send their pupils to a designated high school in another school district or to one of the three endowed academies. <u>Tuition for private, residential or out of state facilities</u> – Paid for pupils sent to those facilities, typically for special education services. <u>Tuition for InterDistrict Magnet</u> – Paid for pupils sent to state-approved interdistrict magnet schools. Please note that some magnet schools do not charge tuition to sending towns. <u>Tuition for Interdistrict Cooperative HS</u> – Paid by towns that send their high school pupils to another school district per a cooperative arrangement. <u>Other tuition</u> – Any tuition not covered under the other previous rows is reported here. This row includes tuition paid for agricultural science and technology education

Term	Definition	Values
		centers in cases where the center is not a district's designated high school. <u>Total</u> – Total tuition of all types. Note that this may include amounts for tuition types not listed above due to low pupil counts.
Expenditures	Total expenditures reported for each tuition type.	Dollars
Pupils	Pupil counts to which the expenditure applies, from October 1 pupil data.	Counts
PPE	Expenditures divided by pupils for each row	Dollars per pupil

Source(s) and Update Schedule

Financial data are taken from the Education Financial System (EFS), reported by local and regional school districts, regional education service centers, and charter schools. Pupil counts are from October 1 enrollment data reported in the Public School Information System (PSIS). The data have not been fully audited; audits may result in changes in the data presented.

Other Helpful Information

This report is based upon data reported by school districts; questions concerning report data should be addressed to the school district.
