

Full-Time Equivalent Staffing Report Notes

Full-time equivalent (FTE) count by staff assignment category and educator type. All data are as of October 1 of the school year (ex. the 2012-13 data are as of October 1, 2012). Please note that FTE counts represent staff assigned to all grades, prekindergarten through grade 12.

Terms:

Term	Notes
Full-time equivalent (FTE)	Full-time equivalent is the proportion of a full-time position that an educator works. A full-time position is reported as 1.0, while a 40% job is reported as 0.4 FTE.
Educator Type	Staff are classified by whether their position requires the staff member to hold an educator certification or license issued by the Connecticut State Department of Education.
Assignment Category	These categories provide general classifications of the type of role a staff member holds. In most cases, the data are collected at a more detailed level and aggregated to the presented categories.
