

Connecticut School Categories: 2016-17

Pursuant to Connecticut General Statutes 10-223e, schools are placed into one of five categories. Category 1 schools are the highest performing schools while Category 4 and 5 schools are those identified for state support. Category 4 and 5 schools are either the lowest performing schools overall (Turnaround) or those schools with among the lowest performing student groups in the entire state (Focus). The rules for assigning schools to the categories are included at the end of this document.

*Support classification is assigned only for schools in categories 4 and 5.

Rules for Assigning Schools to Categories:

To begin the school classification process, the following schools must be removed from the data file:

- Unified School District #1;
- Detention Centers; and
- Schools with 100 or fewer possible points.

The next step is to identify every school as either elementary/middle or high school. Any school that serves Grade 9 or above is a high school. All other schools are considered elementary/middle for this purpose.

Elementary/middle and high schools are sorted separately from highest to lowest based on the Accountability Index.

- Schools in the top quartile based on the Accountability Index are *preliminarily* placed in Category 1.
- Schools in the middle two quartiles are *preliminarily* placed in Category 2.
- Schools in the bottom quartile based on the Accountability Index are placed in Category 3.
- Further review of Category 1 and Category 2 schools is necessary. Any Category 1 or Category 2 school is lowered a category if one or more of the following are true:
 - an outlier achievement gap in ELA, Math, or Science;
 - an outlier graduation rate gap based on the six-year graduation rate; or
 - an assessment participation rate below 95% in any subject for All Students or High Needs students.
- Schools that were identified as Category 4 and 5 Turnaround schools in March 2016 maintain their category assignment regardless of their quartile position. Category 4 and 5 Focus schools were evaluated to determine eligibility to exit Focus school status. Focus schools that did not exit remain in Category 4 or 5 regardless of quartile position. Focus schools that met the exit criteria were reclassified as Category 1, 2, or 3 based on the rules above.

Accountability Index Quartile Cutoffs

	Bottom Quartile Cutoff	Top Quartile Cutoff
Elementary/Middle Schools	64.73316078	77.57936419
High Schools	65.85096394	81.71721362

The assignment of school categories will change in 2018-19 (using 2017-18 data) based on [Connecticut's approved ESSA plan](#) (p. 47). Rather than a normative approach (i.e. quartiles) to assigning school categories based on the accountability index, criterion-referenced cut points will be established. The selection of these cut points will be informed by accountability results from the two prior years.

*Support classification is assigned only for schools in categories 4 and 5.
